Gin and Tonic Recommended By Head Mixologist

How did the Gin and Tonic come together ?

The Origins date back to the early 19th century, when soldiers of the British East India Company Created a Combination of quinine, water, sugar, citrus and Gin to prevent tropical diseases

Gin & Tonic are based on 3 ingredients which are served on ice Gin, Tonic Water and a special garnish. Our talented Mixologist team has created our own Akoya Gin & Tonic with a unique twist on the world-renowned drink.
